The following rules and regulations have been adopted by the PLEASANTVIEW TOWNSHIP BOARD (hereafter referred to as “the Board”) as the rules and regulations of the Pleasantview Starr Western Cemetery and all lot owners and visitors within the *cemetery* and all burial spaces sold, shall be subject to said rules and regulations, effective as of October 24, 2011 .And subject further, to such other rules and regulations, amendments or alterations as shall be adopted by the Board.

The Township of Pleasantview, Emmet County, Michigan Ordains:

Section 1: *Title*

This ordinance shall be known and cited as the Pleasantview Center Cemetery Ordinance.

Section 2: *Definitions of Cemetery Lots and Burial Spaces*

A Cemetery lot shall consist of burial rights sufficient to accommodate from one to eight burial spaces.

Lots size consists of a land area of sixteen (16) feet in width from 16 feet in length. Any length variation is due to the different people who originally marked out the *cemetery*.

Section 3: *Sale of Lots of Burial Spaces*

Hereafter, *cemetery* lots of burial rights shall be sold only to residents or taxpayers of the Township for the purpose of the burials of such purchaser or his or her heirs at law or next of kin. Only (2) burial sites can be purchased per individual. No sale shall be made to funeral directors, state, or others than as heretofore set forth. The Township Clerk, however, is hereby granted the authority to vary the aforesaid restriction of sales where the purchaser disclosed sufficient personal reason for burial within the Township through previous residence in the Township or relationship to persons interred therein.

All such sales shall be made on a form (Burial Certificate) approved by the Township Board, which grants a right of burial only and does not convey and other title to the burial space sold. Such form shall be executed by the Township Clerk.

Burial Certificates may only be transferred to those people eligible to the original purchasers of cemetery burial spaces within the Township and may be affected only by endorsement of an assignment of such Burial Certificate upon the original burial official records of said Clerk. Upon such assignment, approval and record, said Clerk shall issue a new Burial Certificate to the assignee and shall cancel and terminate upon such records, the original Certificate thus assigned.

The purchase of a burial space does not transfer ownership of a parcel of property but is the transferring of the right of burial on the burial space purchased from the Board to the burial space owner. The ownership of burial rights to any burial space in the *Cemetery* passes to the heirs or assigns of the original owner or owners as stated on the certificate of ownership. The Board does not allow the ownership of burial rights to be sold by burial space owner. The burial space may be returned to the Board and the prorated purchase price will be refunded for any unused portion of the burial space. Before any burial is made in a burial space, a burial space must be paid for in full. No burial space shall be used for any other purpose than the burial of the human dead. The Sexton will take all reasonable precautions to protect burial space owners, and the burial rights of burial space owners within the *Cemetery* from loss or damage: but the Board disclaims all responsibility of loss or damage for causes beyond its reasonable control.

Section 4: *Burial Site Prices*

Sites are purchased per grave site. You can only purchase up to two sites and must fill them before purchasing more. If you have special circumstances, please contact the clerk, and she will bring it to the Board during their next regularly scheduled meeting. We reserve the right to refuse sale of burial sites to non residents. Resident -----\$100.00 per grave site. You may petition the township board for sale of a burial site.

Section 5: *Purchase Price and Transfer Fees*

The charges for the Burial Certificates shall be paid to the Township Clerk or Sexton and shall be deposited in the general fund. (For the use of maintenance involved in said *cemetery*.)
